Pep: The Story Of A Brave Dog Clarence Hawkes

This 1922 adventure story for youth and dog lovers will delight anyone with just a little suspension of disbelief. Sentimental and anthropomorphic, it's still a good read/listen for those who would appreciate how a devoted dog saved his physician master's life during World War I. Clarence Hawkes, crippled and blind, was a prolific, popular writer, well-known for his nature stories in the twentieth century.
